<b>Artists</b>	Know that artists create art (different media).	Look at a range of work by different artists.  Say whether they like or dislike it begin to give reasons why.	Explore a range of work by other artists, craft makers and designers.  Be able to give their opinion and say why they like/dislike the work of other artists.	Continue to explore and be exposed to work by other artists and designers.  Be able to describe the similarities and differences between pieces of work by other artists.  Work alongside an artist in order to make links to their own work.	Begin to research great artists and designers through time.  Begin to include elements of other artists work in their own.  Be able to appraise the work of other artists and designers and say how their work links to their own.	Begin to develop an understanding of the work of an architect to tie in with work on 3D structures and sculptures.  Have an in-depth knowledge of one famous artist in time and be able to link their own work to them.  Be exposed to great pieces of art and craftsmanship through visits, visitors and experiences.	Use the work of a famous artist as a stimulus for their own work.  Use other artists work as a basis for critique.  Research and develop the techniques of other artists to use in own work.  Be introduced to the work of great designers through history.	Have an in-depth knowledge of the work of an architect and choose a style to emulate in constructing a scale model.  Be able to identify and appraise the work of designers through history.
