March 2018

Dear Parents and Carers,

It has been a busy (snowy) but short term. Thanks you so much for supporting parents evening. If you were unable to attend please make an appointment to meet with your child's class teacher.

REAL project based learning.

The outcomes of our learning projects so far have been amazing. Nursery children held an exhibition at Puxton Park featuring their professional photographs. This was the culmination of their learning about Pets.

The pet theme continued in Reception / year 1, they have been focusing on how to keep pets healthy and cared for. They have created leaflets, dog treats and raised money to support the animal charities they have been working with.

Year 2 are finalising their audio books to share with the guests at Miller's Close and a coffee morning will be held on Friday 13th April at 10am. More information to follow for Y2 parents.

Year 3/4 have researched and created non –fiction reports about the local area beginning with the history of Pill. They are putting the finishing touches to their tourist information films which we hope to launch on our own YouTube channel and link to the website.

Year 5 /6 have a slightly extended project but they are finalising their learning by creating clay tiles which will carry some of the information they have found out about evolution based on their research of Charles Darwin.

We are extremely grateful for all the professional support we have received from our local community to develop the learning with the children.

We will send out a parent information leaflet about our learning project approach at the beginning of Term5 – there are amazing projects happening after Easter.

And finally...

Our collective worship and RE for this term focuses on the Easter story. Thank you for joining year 1 and 2 at Christchurch today. It was such a lovely retelling that it moved Rector Astrid to tears.

Have a happy Easter and we will see you on April 9th

Lara Furmidge and Geeta Verrell
