THE BEST ME THAT I CAN BE

Crockerne Church of England Primary School Home School Agreement

Vision & Values

Please refer to our Values Map that lays out our vision for our school, staff and children.

Through our REAL learning projects we are committed to creating an inclusive culture where all children love to learn and are challenged in their thinking.

We will endeavour to empower our children to become respected citizens, enabling them to make valuable contributions locally and globally and equipping them with the skills and values to contribute to our world's sustainable future.

To achieve this, staff, parents and children must work as a team, understanding theirs and each other's responsibilities and working together towards these common goals, as detailed in this home/school agreement.

School

The Learning Environment

Our school will:

- Ensure that our broad and balanced curriculum, delivered through REAL learning projects, is engaging and challenging, driving the highest standard of learning in all subject areas.
- Ensure that our learning environment is varied and stimulating.
- Celebrate your child's academic and personal achievements.
- Nurture your child to be 'the best me that I can be.'
- Ensure that our Church of England values are nurtured throughout their school life.
- Care for your child's safety and well-being through observation and listening.

A Healthy, Happy Community

Our school will:

- Model for your child, a positive attitude to others, regardless of gender, race, culture, belief, values, age and need.
- Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them.
- Regularly meet with you to communicate the progress of your child, celebrating their strengths and explaining how we can support them in their areas for development.
- Provide information to you about our school, including relevant policies, meetings, workshops, activities, newsletters and open days.
- Happily welcome you to contribute to our school's broad curriculum. We recognise that the community of Pill, Easton-in-Gordano and Ham Green holds a wealth of talent, experience, diversity and enthusiasm that our school and children could benefit from.

Homework

Our school will:

- Set differentiated and achievable homework to extend the curriculum and provide further opportunity for independent learning. Clear information will be provided so that you will be able to help your child if required.
- Provide information and helpful training sessions for you that will give you confidence to support your child.

Parents/Carers

The Learning Environment

As a Parent/Carer I will:

- value my child's formal education, making sure they arrive at school by 8:45am, prepared to start their lessons. They will be wearing named school uniform or other suitable clothing and will bring their PE kit to school at the beginning of each week.
- Ensure my child is suitably dressed for outdoor lessons as and when required.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that a significant part of their learning occurs at home.

A Healthy, Happy Community

As a Parent/Carer I will:

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, and help to resolve this quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Work with the school by supporting our Church school distinctiveness.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, and helping to move my child on in their learning.
- Support and work with the school to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with my child's teacher in a spirit of openness and collaboration for the benefit of my child.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.

Homework: As a Parent/Carer I will:

- support the school by making sure that homework tasks are completed and returned on time.
- use my talents and experiences to enhance my child's learning at home, acknowledging that my child will benefit greatly from what I myself can show them, discuss with them and teach them.
