May 2018

Dear Parents and Carers,

Each phase has been developing their learning environments. We have a garden centre outside Badgers classroom; planting being carried out in year 2; Narnia (including the wardrobe) in year 3 / 4 and the Crockerne walk of fame in year 5 / 6. This really immerses the children in their learning; exciting each aspect of learning. Please feel free to come and have a look at the learning environments.

Crockerne School Summer Fayre Saturday June 16th 12-2pm

A Planning Meeting for this will be held on Wednesday 23rd May 8pm, The Anchor, Ham Green

The summer fayre is fast approaching and help is needed. Friends of Crockerne will be organising the fayre but we really need **volunteers to help on the day**. We need helpers from 9-11am to carry out tables and stock; put up gazebos and bunting and set up each stall. We also need helpers from 11.30am to 2.30pm to run stalls. If you think you can help please email Celia Roberts at celiajd@hotmail.com. If you can't help, is there another family member who can? Friends have a lot of ideas for fun stalls and games but we can only offer them to the children if we have enough people to man them on the day. If you'd like to be involved, please join us at the fayre planning meeting on the 23rd May.

School Council

The school council have been on a walk around the school to assess the site; they are beginning to plan to develop the outdoor areas. They will be writing to local business for sponsorship. If you can sponsor, or know of anyone who can, please speak to Miss Hawker in Badgers class.

We would also like to apply for some lottery funding. If you have any experience of applying for funding we would be very grateful for help.

What happens in Collective Worship?

Key stage 2 children are currently discussing and learning some traditional hymns in worship through singing. The signing choir will also be performing at the Christchurch centenary celebrations on May 20th.

Children's Fancy Dress

Pill Rag's children's fancy dress competition is at 1.30pm on Saturday 2nd June down on the village Green. Children of any age can dress up as whoever or whatever they like - why not wear their World Book day outfit? Or encourage older children to make their costumes with their friends and go up as a group. It's exciting and memorable to go up on stage. All children receive a sweet and the winners a rosette with a cup for the overall winner. It's a lovely village tradition. Get creative!

And finally...

Children in both year 2 and year 6 will be completing their end of key stage SATS test. Year 6 will take their more formal SATs next week. It is important that they rest this weekend and relax. They have worked really hard and deserve to do really well. The children take the papers each morning and will have a more relaxed timetable during the afternoon.
